FOR 2013-2015 BUDGET — NOT READY FOR INTRODUCTION

1 AN ACT ...; relating to: the budget.

Analysis by the Legislative Reference Bureau

HEALTH AND HUMAN SERVICES

CHILDREN

Under current law, the Child Abuse and Neglect Prevention Board may award grants to organizations to fund programs that provide direct parent education, family support, and referrals to other social services programs and outreach programs, including programs that provide education to parents in their homes (family resource center grants). Current law prohibits an organization from receiving a family resource center grant or grants totaling more than \$150,000 in any year. This bill eliminates that cap.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

- 2 SECTION 1. 48.982 (6) (a) of the statutes is amended to read:
- 3 48.982 (6) (a) From the appropriations under s. 20.433 (1) (b), (h), (i), (k), (ma),
- 4 and (q), the board shall award grants to organizations in accordance with the

1 request-for-proposal procedures developed under sub. (2) (a). From the
2 appropriations under s. 20.433 (1) (b), (g), (h), (i), (k), (m), (ma), and (q), the board
3 shall provide technical assistance to organizations in accordance with those
4 procedures. ~~No organization may receive a grant or grants under this subsection~~
5 ~~totaling more than \$150,000 in any year.~~

Hi Katie,

Here's the text of (6)(am):

"(am) Notwithstanding the geographical and urban and rural distribution requirements under sub. (2) (a), the board shall allocate not more than \$150,000 from the appropriation under s. 20.433 (1) (h) in each fiscal year for the awarding of grants, in accordance with the request-for-proposal procedures developed under sub. (2) (a), to organizations located in counties with a population of 500,000 or more."

I'm trying to determine if leaving any part of this subparagraph is necessary, or whether we should just repeal it. If you take out "not more than \$150,000," it would basically say that the board must allocate any amount (including \$0) to Milwaukee orgs. But given the geographical and population-based distribution requirements, it seems like it probably would anyway. In other words, does this provision serve any other purpose besides imposing a cap?
